LAWS OF ILLINOIS.

We have before us official copies of the Laws of general interest and importance, passed by the General Assembly at their late session, and have thought that instead of cumbering our columns with a publication of them at extenso, with all their tedious and useless legal verbiage and tautology, a correct synopsis of their provisions would be as valuable and more acceptable to our readers.

The first of these Laws is an Act to amend our General Banking Law. It provides that any of our State Banks, wishing to wind up its business, may file a certificate of its intention to do so with the Auditor of State, and may then surrender to him its bills [illegible]

[illegible]

Railroad Companies provides, that every railroad company now in operation, or which shall be hereafter placed in operation, shall erect and maintain good and sufficient fences on the sides of their roads, except at the crossing of public highways, and within the limits of towns, with openings and gates at the farm crossings, and at the road crossings cattle guards sufficient to prevent cattle from getting on the road. [illegible]

An act in reference to Insurance provides that it shall not be lawful for any agent or agents of any insurance company, incorporated by any other State than the State of Illinois, directly or indirectly, to take risks or transact any business of insurance in this State, without first procuring a certificate of authority from the Auditor of State; and before obtaining such certificate, such agent or agents shall furnish the said auditor with a statement, under the oath of the President or Secretary of the Company for which he or they may act, which statement shall show—

1st. The name and locality of the company;
2d. The amount of its capital stock;
3d. The amount of capital stock paid up;
4th. The assets of the company, including
1. The amount of cash on hand, and in the hands of the agents or other persons.
2. The real estate unincumbered.
3. The bonds owned by the company, and how they are secured, with the rate of interest thereon.
4. Debts of the company secured by mortgage.
5. Debts otherwise secured.
6. Debts for premiums.
7. All other securities.
5th. The amount of liabilities, due or not due to banks or other creditors, by the company.
6th. Losses adjusted and due.
7th. Losses adjusted and not due.
8th. Losses unadjusted.
9th. Losses in suspense waiting for further proof.
10th. All other claims against the company.
11th. The greatest amount insured in any one risk.
12th. The greatest amount allowed by the rules of the company to be insured in any one city, town or village.
13th. The greatest amount allowed to be insured in any one block.
14th. The act of incorporation of such company.

Which statement shall be filed in the office of said auditor, together with a written instrument under the seal of the company, signed by the president and secretary, authorizing such agent to acknowledge service of process, for and in behalf of such company, consenting that service [illegible]

THE NEWS.

A young Irish woman died suddenly the other day in Lynn, from the effects of chloroform, which was administered for the purpose of deadening the operation of having a tooth pulled. She died in the dentist's chair.

Gen. Houston is something of a wag, as well as a Mexican fighter. In speaking of the chaotic state of political parties on a recent occasion, he remarked that the Whigs were like sheep without a shepherd, and the Democrats like a shepherd without sheep.

The trial of Arthur McMahon, for the murder of his wife in Troy, terminated before Judge Wright on Saturday, having occupied the court a little over an entire week. The evidence was wholly circumstantial but conclusive of the guilt of homicide, and the jury after several hours deliberation, brought in a verdict of guilty of murder in the first degree.

The total mortality in New Orleans during the last year, from all causes, was 13,[illegible]. Of this number 7849 were from yellow fever. [illegible]

The alliance against Russia has received a new and unexpected accession. That exalted personage, Ferdinand II, King of the two Sicilies, has signified his adhesion to it, and now we have Turkey, England, France, Austria, Sardinia, and Naples, all arrayed against the despot of the North. [illegible]

The negro Anis, who was sentenced to death for murdering his daughter, was executed at Sydney, Shelby county, Ohio, on the [illegible] ult. He fought desperately with the officers, on his way to the gallows, and tore the coat completely off the deputy sheriff in endeavoring to resist the efforts in putting the rope around his neck. It took six men to secure him upon the scaffold, and when, at last he swung off, he managed to get hold of the rope with his hands, which prevented the fall from breaking his neck. After struggling violently for some time, he was choked to death, when his body was taken down and buried.

REPORT OF THE SCHOOL COMMITTEE.

To the Hon. the Mayor and Aldermen of the City of Chicago in Common Council assembled:

GENTLEMEN—Your Committee on Schools, to whom was referred the accompanying report of the School Agent, having examined the same, find it satisfactory and recommend that it be placed on file, its recommendations adopted, and its vouchers allowed.

Since there is no other interest over which it is the duty of the city government to exercise its care and control, of more importance than that of public education, it may not be amiss, in retiring from the immediate oversight, on behalf of the Council, of the public Schools, to indulge in a few remarks.

In a state of society, and under a form of government like ours, where the avenues to distinction and to posts of trust and honor are alone guarded by the popular will, and open to all, the education both of the heads and the hearts of the people is an essential element of the public weal; the only sure ground of hope for the improvement of our social and political condition; the only guarantee of the perpetuity of our free institutions.

SENATOR WILSON A NORTHERN MAN.

When Senator Wilson's letter to the editor of the "American Organ" appeared, the pro-slavery journals were delighted with its Conservatism and laid its wholesome doctrines of State Rights to their souls as a flattering unction. They saw, or thought they saw, a leaning towards doughfaceism, and were apparently greatly rejoiced thereat. Subsequently, however, Senator Wilson has made several brief speeches, which have dispelled these dreams of joy and left him standing before the World as a Northern man with Northern principles. He desires—

1. The Fugitive Slave Law repealed.
2. The Missouri Compromise repealed.
3. No more slave States admitted.
4. Slavery excluded from all the Territories.
5. The District of Columbia made free; and
6. Slavery withdrawn from the protection of the General Government.

The South has already taken the alarm and Richmond Whig gives utterance to its feelings of disappointment, thus:

Mr. Wilson, of Massachusetts, another of the Abolition agitators and traitors in the Senate, took part in the discussion, and demonstrated his fitness to be the colleague of Sumner, and the right-hand companion of Seward, Gillette and [illegible]

LOCAL MATTERS.

EARLY SPRING.

The prospect is for an early Spring because the frost is not generally deep on account of the snow which has prevailed. A good rain will take it all out, and a few sunny days will dry up the streets. The river and harbor are now likely to be cleared of ice without any difficulty. The schooner "Union" hauled out of the harbor Wednesday evening for Racine, and other vessels are loaded and preparing to follow shortly. A strong current is now in the river, caused by the melting snow, and the ice will soon disappear. Great activity appeared in the [illegible]

REPORT OF THE SCHOOL COMMITTEE.

We print to-day the Report of Dr. Jno. Evans, Chairman of the School Committee of this city, and commend it to the attention of the public.

Fine Arts.

Yesterday we visited Wm. E. McMaster, at his studio, and were pleased to learn in relation to the Mayors' portraits, that Mr. McM.'s superior talent as an artist had been complimented by the preference of several of the gentlemen who are to be painted, to have him do it; but we regret to state that the compensation, voted by the Council, is so low that Mr. McM. declines the commission offered him; he being constantly occupied with portraiting private citizens at full price. Of his successful efforts in the highest walks of portraiture we have before spoken—his works have received no praise for masterly treatment, fidelity to nature and beauty of finish, which they do not richly merit. We are gratified to state, that, in compliment to one of his personal friends, Mr. McM. will paint one of the Mayors, that the artist's friends may see a portrait from his pencil adorning the collection among which it may hang upon the walls of our City Council.

Since our last visit to this studio, in which we noticed a beautiful banner, painted for the "*Hibernian Benevolent Society,*" this artist has finished the front side of the banner, which is a [illegible] design, painted upon a ground of green silk, representing the Goddesses of Liberty and Hibernia at full length, half size, the former supporting the staff and cap of Liberty in her right hand, her left resting on the shield—draped in white, with a [illegible] Hibernia [illegible] with left hand extended, [illegible] This figure is also draped in white, with a green scarf; her face is a beautiful type of [illegible], her curling hair flowing gracefully upon her shoulders. A full spread eagle floats above both figures which are relieved by a summer sky, resting upon the verge of the ocean. Beneath the figures, the motto of "Prudence, Justice and Liberty" completes the beautiful design.

SUPERVISORS OF COOK COUNTY.

HENRY FULLER, Pres.—[illegible], Clerk.
Thursday, March 8, 1855.

Board met at 10 1-2 o'clock, the President, H. Fuller, Esq. in the Chair.

The minutes read and approved.

A resolution was offered increasing the salary of the County Agent, Mr. [illegible], to a thousand dollars for the present year. (The present salary is $700 per annum.)

The resolution was discussed by several members, some being in favor and others opposed to it.

Mr. Kingsly was in favor of the resolution, and spoke of the arduous labors of the agent, and of the propriety of making the contemplated increase.

Mr. Prendergast also spoke in favor of the resolution, as a matter of simple justice to the agent.

The resolution was finally passed by the following vote: Ayes, Messrs. Booth, Campbell, Colby, Daniels, Dalton, Dunlap, Freeman, Garland, Gray, of South Chicago, Graves, Kent, Kelly, Kingsley, Loffer, Morris, McHugh, Oosterhout, O'Connor, Prendergast, Truesdale, Wilsbeck, and Fuller, Chairman, 21.

Noes, Messrs. [illegible], Clark, James, Hobbie, McKay, Ouderkirk, [illegible], Scoville and Smith, 10.

A motion to increase the Warden's salary was lost by a vote of 12 to 9.

Mr. Prendergast offered the following resolution:

EARLY SPRING.

The prospect is for an early Spring business. The frost is not generally deep on account of the snow which has prevailed. A good rain will take it all out, and a few sunny days will dry up the streets. The river and harbor are now likely to be cleared of ice without any difficulty.—The schooner "Union" sailed out of the harbor Wednesday evening for Racine, and other vessels are loaded and preparing to follow shortly. A strong current is now in the river, caused by the melting snow, and the ice will soon disappear. Great activity appeared in the streets and among the vessels yesterday.

REPORT OF THE SCHOOL COMMITTEE

We print to-day the Report of Dr. Jno. Evans, Chairman of the School Committee of this city, and commend it to the attention of the public.

Fine Arts.

Yesterday we visited Wm. E. McMaster, at his studio, and were pleased to learn in relation to the Mayors' portraits, that Mr. McM.'s superior talent as an artist had been complimented by the preference of several of the gentlemen who are to be painted, to have him do it; but we regret to state that the compensation, voted by the Council, is so low that Mr. McM. declines the commission offered him, he being constantly occupied with portraiting private citizens at full price. Of his successful efforts in the highest walks of portraiture we have before spoken—his works have received no praise for masterly treatment, fidelity to nature and beauty of finish, which they do not richly merit. We are gratified to state, that in compliment to one of his personal friends, Mr. McM. will paint *one* of the Mayors, that the artist's friends may see a portrait from his pencil adorning the collection among which it may hang upon the walls of our City Council.

Since our last visit to this studio, in which we noticed a beautiful banner, painted for the "*Hibernian Benevolent Society,*" this artist has finished the front side of the Banner, which is a vignette design, painted upon a ground of green silk, representing the Goddesses of Liberty and Hibernia at full length, half size, the former supporting the staff and cap of Liberty in her right hand, her left resting on the shield—draped in white, with a blue sash falling from her shoulder. Hibernia approaches with left hand extended, resting upon a harp, directly before which at her feet lies a wolf dog. This figure is also draped in white, with a green scarf; her face is a beautiful type of her sex, her curling hair floating gracefully upon her shoulders. A full spread eagle floats above both figures which are relieved by a summer sky, resting upon the verge of the ocean. Beneath the figures, the motto of "Prudence, Justice and Liberty" completes the beautiful design.

Real Estate Sale.

Sold to F. A. Bryan by Geo. L. E. Knight, 200 feet in Union Park, West side, for $6700, Half cash, and balance in 1 and 2 years for building and fine garden.

☞ Thanks to our friends T. B. Carter & Co. for their handsome remembrance. Their taste in the selection of Ladies' Dress Goods, is too well established to need comment. See advertisement.

Know Nothing Almanac.

H. B. Cooke & Co., 135 Lake street, and Mellen & Co., 63 Clark and 74 Dearborn streets, have laid upon our table a neat pamphlet entitled the "Know Nothing Almanac and American's Manual for 1855." It contains a very respectable amount of valuable information. Price single copies 12 1-2 c.; $1 per dozen; $7 per hundred.

☞ Mellen & Co. have sent us the "Mysteries and Miseries of San Francisco," which cannot be strictly classed as belonging to the "Yaller Kiver" school, as it is bound in green paper.

Forwarding House at Prescott, Wisconsin.

We direct the attention of our dealers and shippers, to the card in another column, of L. H. Merrick, Forwarding and Commission Merchant, at Prescott, Wis. The town is located on the Mississippi river, and is growing rapidly. Mr Merrick is well known to many of our citizens, and any business entrusted to his care, will be sure to receive prompt attention.

Benefit of Mr. Couldock.

Mr. Couldock plays King Lear to-night, and takes his benefit. He plays the poor old King in a sublime manner. Let have a glorious house.

☞ Bayard Taylor, who never fails to entertain the large audiences that Chicago assembles to hear him, gives his third and last lecture this evening, at Metropolitan Hall—and those of our citizens who have been unable to hear him heretofore will do well to go early, to-night and secure a seat.

The lecture will commence at 7 1-2 o'clock.—There will be no reserved seats.

Celebration.

A week from to-morrow evening, the Hibernian Benevolent Society have their annual celebration and festival.

Hogs.

The trade in Dressed Hogs has about closed.—A train of fourteen double cars of live hogs was expected at the Galena Depot from Galesburg last evening; but the receipts hereafter will be light. For the past two months the receipts have been very large—at least one half larger we judge, than during the corresponding season of last year.

REPORT OF DR. BIRD, COUNTY PHYSICIAN.

SUPERVISORS OF COOK COUNTY.

HENRY FULLER, PRES.—CHAS. R. FARWELL, CL'K.
Thursday, March 8, 1855.

Board met at 10 1-2 o'clock, the President, H. Fuller, Esq. in the Chair.

The minutes read and approved.

A resolution was offered increasing the salary of the County Agent, Mr. Fost, to a thousand dollars for the present year. (The present salary is $700 per annum.)

The resolution was discussed by several members, some being in favor and others opposed to it.

Mr. Kingsly was in favor of the resolution, and spoke of the arduous labors of the agent, and of the propriety of making the contemplated increase.

Mr. Prendegrast also spoke in favor of the resolution, as a matter of simple justice to the agent.

The resolution was finally passed by the following vote: Ayes, Messrs. Booth, Campbell, Colby, Daniels, Dolton, Dunlap, Funston, Garland, Gray, of South Chicago, Grannis, Kane, Kelly, Kingsley, Leffler, Morris, McHugh, Ousterhout, O'Connor, Prendegrast, Truesdale, Wittbeck, and Fuller, Chairman, 21.

Noes, Messrs. Cammack, Clark, James, Michie, McKay, Ousterhout, Peck, Skinner, Scoville and Smith, 10.

A motion to increase the Warden's salary, was lost by a vote of 12 to 9.

Mr. Prendegrast offered the following resolution:

Resolved, That the County Clerk be ordered not to issue any more groggery licenses for a less sum than $200.

An amendment was offered to the effect that the Clerk be directed to issue no more licenses until after the next meeting of the Board in June next: and this amendment was carried unanimously.

The Board then proceeded to draw the Grand Jury, and the following names were selected.

John George, John Shilger, John J. Shepherd, D. D. Wood, Thomas Bradwell, Mr. Barrington, Morris Horn, James Carter, Samuel Rany, O C. Grover, H. G. Pitts, Major Noble Joseph Hill, H. P. Moses, J. W. Rich, E. J. Chapin, J. E. Hiksm, S. S. Darrow, E. M. Edwards, A. Prigly, F. Kely, Theodore Weiler, James Berry.

The Board then proceeded to select the Petit Jury, as follows.

JURORS FOR THE FIRST WEEK.

Leonel Hall, Robert Meacham, A. T. Childs, D. W. Smith, John Williams, Peter Grant, J. S. Luther, Michael McGinnis, James Noble, Ira Gardner, Charles Santee, B. H. Bachelor, Chas. E. Holmes, N. Wilber, Walter Lull, John C. Haines, C. P. Alley, James Pr. Allen, John S. Newhouse, W. T. Loughlin, H. Newhall, Austin Hines, James Castello, Wm. Kelly.

JURORS FOR THE SECOND WEEK.

W. F. Cally, Wm. Draper, D. L. Roberts, Jacob Reed, George Fullöger, Samuel Baker, Geo Cheese, James Hart, John Ellis, L. W. Ballard, Otis Wapplis, A. Simpson, Charles Kelsing, Tec. Kinney, J. M. Morrison, Anson Bushnell, Henry Smith, E. S. P Leonard, George Anderson, C. B. King, Aaron Hamer, John Mikay, James Nelsona, John Devit.

Mr. James presented the following Order, which was passed:

Ordered, that all such tracts of land embraced in a grant of lands to Cook County, by an act of the General Assembly of the State of Illinois, approved June 22d, 1852, as have been sold by the United States since Sept. 28, 1850, are hereby secured and confirmed unto the purchasers who have purchased said lands from the United States, upon their releasing to the County the interest derived from the United States by them; and the County Clerk of Cook County is hereby ordered and empowered to do all business necessary to complete and make over the title to said lands, conveying the same to said purchasers in pursuance of and in the manner prescribed by the act aforesaid.

The Board then adjourned till 9 o'clock Friday morning.

Lecture on Kansas.

A gentleman informs us that Col. H. C. Sanford, who represents himself as the agent of the "Kansas Free State Society," will shortly be in this city and deliver some lectures on Kansas. The object of these lectures, we understand, is to raise money to expend in Kansas in getting the people there to vote right on the slavery question. If this is correct, money given for that purpose would be thrown away. There are but two classes of people in Kansas, pro-slavery and anti-slavery, and all the lecturing in the world will not cause either class to change a vote. The friends of freedom should expend their means in aiding emigrants from the north in getting to Kansas. They can do good service in that way.

AMERICAN TRANSPORTATION CO.

We have heretofore neglected to notice the formation of the above-named Transportation Co., and the appointment of Messrs. Swift & Co., and Messrs. Rumsey, Bro. & Co., as agents in this city. The American Transportation Co is chartered by the Legislature of New York, with a capital of $800,000, and has bought out and embraces within its ample dimensions the following lines:

The Merchants' Transportation Company, Clinton Line, New York and Cincinnati Line, American Transportation Company, Western States Line, New York and Western Line, Western Lake Boat Line, and the Troy and Erie Line. Rufus Palmer is President, Hiram Niles, Vice President, W. D. Walbridge, Secretary, and John R. Wheeler, Treasurer.

We call the attention of the public to the advertisement.

Tremont House, Michigan City.

Since the destruction by fire of the Lake House, at Michigan City, travelers find a good home and hospitable welcome at the Tremont. The house is kept by Wm. H. Hopper and E. G. Sleight. Those who have passed over the Michigan Central Railroad many times within the past eight years, will recognize in the name of the *former*, one of the most popular and courteous conductors ever on that thoroughfare. We commend the Tremont House to those who have occasion to travel towards Michigan City.

Albany, March 8.

The condemned criminal Phelps escaped from jail about 6 o'clock this morning by knocking down the jailor who went to visit him, locking him in the cell and then escaping to the street. He was however recaptured on the Troy road, about four miles from this city by the Deputy Sheriff, and is now again in confinement.

Baltimore, March 8.

New Orleans papers of Friday are received. Nearly the whole business part of the town of St. Mary's Ga., was destroyed by fire on Thursday last.

New Orleans, March 7.

The steamship Cawhaba, has arrived with Havana dates to the 4th inst. Matters were all quiet on the Island, and business appeared to be reviving.

The U. S. steam Frigates San Jacinto and Princeton were at Havana.

The markets had undergone but little change. The blockade of the ports prevented the free supply of sugar.

Boston, March 8.

Anthony Burns arrived in this city yesterday, and had a public reception last evening in Tremont Temple, at which 1000 were present. Prayer was offered by Dr. Neale. Burns was then introduced to the assembly. He addressed the audience in substantially the same terms that he did at New York.

He was followed by the Rev. E. N. Kirk, who denounced slavery with much emphasis. Many advanced to the platform and shook hands with Burns. The reception seemed quite of a religious cast, and no prominent abolitionists took part in it.

Philadelphia, March 7.

The sash and planing mill of John McCullough on William and Twelfth streets, and was totally destroyed by fire this evening.

Detroit, March 8.

A fire broke out here last night, in the Livery Stable of John Long, adjoining the Firemen's Hall, and opposite the Biddle House. Some fifteen or twenty horses were burned, and a large number of carriages, buggies and sleighs, including many that were left there by manufacturers and dealers. Loss about $20,000. Insured for about $5,000.

Washington, March 8.

Gen McCullough says he shall send in his resignation as major in the new regiment, observing that a single field officer being taken outside the army list, is not treating his class fairly.

Toronto, March 8.

Hon. Mr. Kellaly, Assistant Commissioner of Public Works, is in this city, securing appropriate buildings for the public offices preparatory to the return of the Government to Toronto.

Harrisburg, March 8.

A series of resolutions were offered in our State Senate to amend the adjournment of the joint convention of both Houses until October and fixing the adjournment at the 20th of March. Referred to the Judiciary Committee. So there is another chance for U. S. Senator.
